

Study ID:
Recipient ____
Donor ____

CONSENT FORM

Longitudinal characterisation of the host microbiota after kidney donation and transplantation

Chief Investigator: Mr Reza Motallebzadeh

Please initial each box

1. I confirm that I have read and understand the information sheet dated _____ version _____ for the above study and have had the opportunity to consider the information, ask questions and have these answered satisfactorily. ☐
2. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason, without my medical care or legal rights being affected. ☐
3. I understand that relevant sections of any of my medical notes and data collected during the study may be looked at by responsible individuals from Royal Free London NHS Foundation Trust or from regulatory authorities where it is relevant to my taking part in this research. I give permission for these individuals to have access to my records. ☐
4. I understand that the information collected about me may be used to support other related research in the future, and may be shared anonymously with other researchers ☐
5. I agree to my samples being used as described in the information sheet and I understand that the anonymised samples may be processed and analysed at laboratories of named collaborators outside Royal Free Hospital & UCL as justified by the expertise and resources required to meet the objectives of this study. ☐
6. I agree to my samples being used for future ethically approved non-commercial research studies related to the clinical condition(s) of this study ☐
7. I agree to my blood and biopsy samples being used for genetic (RNA/DNA) analysis [optional] ☐
8. I understand that the anonymised results from the study will be published in peer review journals and will be presented both nationally and internationally. ☐
9. I agree to take part in the above study. ☐
